Sir:

On March 29, 2007, a Request for Continued Examination (RCE) including a petition for a two-month extension of time was filed in the above-identified application together with a credit card payment form authorizing a payment of \$1,240.00, which included the RCE filing fee of \$790.00 and the two-month extension of time fee of \$450.00. Attached hereto is a copy of page 7 of an American Express credit card statement with a closing date of March 30, 2007, showing that the payment of \$1,240.00 was posted to American Express credit card account number [REDACTED] 71008 on March 29, 2007.

However, \$120.00 of the \$450.00 two-month extension of time fee had already been paid in connection with the petition for a one-month extension of time in the Reply/Amendment Fee Transmittal filed on February 28, 2007, with the Amendment After Final Rejection of February 28, 2007. Accordingly, only the additional extension of time fee of \$330.00 for the second month (i.e., \$450.00 - \$120.00 = \$330.00) was required for the petition for a two-month extension of time filed on March 29, 2007, meaning that an excess fee of \$120.00 was paid on March 29, 2007. Accordingly, pursuant to 1.26(a) and MPEP 607.02, it is respectfully requested

Application No. 10/690,507

that the Office refund the excess fee of \$120.00 by crediting it to the credit card account to which it was charged, i.e., to American Express credit card account number [REDACTED] 71008, expiration date 12/09, in the name of Michael D. Stein of Stein, McEwen & Bui, LLP.

Respectfully submitted,

STEIN, MCEWEN & BUI, LLP
